Subject: NOI Pilot Training - feedback

Hi Newt & Fred,

I think the training went well yesterday. Very happy with the turn-out. I've attached the sign-in sheets from yesterday along with an excel version (which is editable & sortable).

Here's a breakdown of attendees:

	<u>TOTAL</u>
CMRSWC = Central Massachusetts Regional Stormwater Coalition	15
NMSC = Northern Middlesex Stormwater Collaborative	6
MAGIC = Minuteman Advisory Group on Interlocal Coordination	8
Neponset	2
N/A (consultants, regulators, planning councils)	12
	43

I've also attached a draft of feedback questions. Feel free to send me edits – either in email or use track changes. Ignore the formatting. CMRPC will help us convert this into survey monkey or something similar to make it easier for folks to complete & compile information.

Before the end of the week, I'd like to send out a follow-up email with the feedback survey to attendees. Can you also send me a copy of the presentation to send with it?
